While the Ratoon will firmly and decidedly express and maintain its views, still it will treat, with all due respect, the opinions of those who may differ from it, and will studiously avoid that asperity of temper which characterizes so many partizan journals, and which has contributed to lessen, in a great degree, the power of the press the cogency of argument being destroyed when thus associated.

Besides being a political journal, the Ratoon will contain all the latest foreign and domestic news, and will publish a large amount of miscellaneous, literary, scientific and agricultural matter-so that all tastes may be gratified, and no department of useful knowledge neglected. We must say, also, that the state of the market shall receive especial attention; and of every fluctuation in it, our readers shall be advised.

On the permanency of our paper, the most implicit re liance may be placed; for, were we not satisfied that it will be well sustained, and that we will be amply compensated for our exertions, we would, by no means, incur the cares, responsibilities and vexations that necessarily devolve upon the editor and publisher of every political newspaper.

Before closing this prospectus, we cannot forhear calling to the minds of all true Democrats, the fact that, in this state there are twenty-two Whig journals, and but nine of Domocratic principles. To the least acute reasoner this cannot but satisfactorily account for the ascendancy so long preserved by the Whig party; and as long as it continues to be the case this supremacy will be maintained. The benefit of an ably conducted journal, to either party, cannot easily be estimated; but the Whigs, in this State, can properly appreciate its value; which is evinced by the large number of their journals, and the ample support they extend to them. But we trust that this will not continue much longer; we are confident that the Democratic party will readily sustain any journal, advocating its principles, that is properly conducted; and, in addition to our desire for the promotion of the interests of the party, this belief has induced us to establish a paper in Hillsborough. Our paper will shortly make its appearance, and we hope, and anticipate for it a favorable reception. TERMS.

The Ratoon will be printed on a large double-medium shoet, at two dollars per annum, when payment is made within three months after the time of subscription : and if not paid within that period, three dollars will, in all cases, J. W. B. GARRETT. be exacted. March 15, 1848. 697-

THE THOROUGH BLOODED HORSE SARPEDON.

BEAUTIFUL dark bay, 10 years old this spring A 15 hands high, of an excellent form, great muscular power, clean bone, sound constitution, good temper, and of a most desirable cross, as will be seen by his pedi- Cuba. gree, combining the best English racing with the best American quarter and half-mile stock, and whose immediate progenitors are surpassed by few if any, will stand this season, commencing the first day of March and ending the 15th day of June, at Wm Bailey's in Granville, at Rolesville, Wake, at Mrs. Nichol's, Wake, Robert Gullev's, Johnston, at Smithfield, at Finch's Store, Johnston, and in the vicinity of Raleigh.

And will be let to mares at \$5 the single leap, payable at the time of service; \$10 the season, payable at the end thereof; and \$15 the insurance, payable when the mare is ascertained to be with foal, the property changed, chard, Canary Seed, Mustard, White, do. Brown. or about to be removed from the State; with twenty-five cents to the groom in every case. Those who pay \$5 for the leap, may put the residue of the season for \$3 only. He will attend his stands regularly, unless prevented by sickness or other unavoidable accidents, or on public days in the neighborhood of his stands. I have directed the groom to take great care to prevent accidents, but I will not be responsible for any.

Sarpedon's sire was successful on the Turf in England, and stands in the first class of the imported stock in this 350 Levi Fisher, Wm. Hill, Toms' Creek, \$5 40 country. His dam, independent of being hard to beat in | 42 a half-mile race, is apparently as sound as ever, with good | 100 Jos. Vanderpool, Win. Stone, Pilot creek, eyes, although she has seen very hard service, and is 18 200 Presly Badget, J. Edmonds, Bull Run, years old this spring. Her figure, proportion, power, and | 200 Jas. Badget, character are not exceeded by any horse I have ever seen. 150 Joseph Pike, I have several certificates to prove that she has drawn 100 Geo. Sprattery, on steep hill-sides more than 5000 lbs., (the weight of the wagon included) at the fifth chain; which surpasses 116 Basker's heirs, even the English Draft-horse. She is quick, gentle, very | 50 Wiatt Basker, D. McGee, spirited, true to pull, easily kept in order, and trots ele- 300 Phillip Shouse, R. T. Sanders, Cane Creek, 1 85 gantly. The qualities of her stock (Brimmer of Kentucky) 48 Spark's heirs, are fleetness, power, durability and longevity.

Those wishing to rear carriage-horses particularly, would do well to try Sarpedon; as he is a fast trotter, and his colts are generally very fine. Those put to use are 27 Sam. Bolyjack, A. Marion, highly prized.

Sarpedon was got by Sarpedon (Imported) at the cost | 300 James Barllett, Hodges, of \$100—one of the best thorough-bred horses, whose 175 Wm. Carpenter, Carpenters, dam was got by Brimmer and he by Brimmer the celebrated quarter-horse, that was never beat in his life. 698-4t.

DISEASES OF THE LUNGS. Though the remote or primary causes of skin diseases may be various, as Impurity of the Blood, Liver Complaint, Scrofula, &c. &c., yet the immediate cause is always the same, and that is an obstruction in the pores of the skin, by which the perspiration, in its passage from the body, is arrested and confined in and under the skin, causing an intolerable itching, or an eruption of Pimples, Ringworm, Tetter, Salt Rheum, &c. &c.,

For all these affections Jayne's Alterative has been found an invaluable remedy, as it removes both the primary as well as the immediate causes, purifying the Blood, curing the Liver Complaint, and effectually eradicating Scrofula from the system, while at the same time it frees the pores of their obstructing matters, and heals the discased surface.

"THE WORK GOES BRAVELY ON" The following is from the Rev. John R. Corney, Jr.

Trenton, N. J., Oct. 31st, 1846. Dr. D. Jayne-Dear Sir-I am extremely happy in being able to inform you that I have entirely recovered my health from using your Expectorant. I have suffered with a severe cough, pain in my breast, and great prostration of strength for the last eighteen months, so that I was compelled to relinquish my charge of a church which I held in this place. I had resorted to a great many different prescriptions, as well as the attendance of several respectable physicians, but they did not appear to reach my case. I resorted to your Expectorant through persuasion of Brother Parker Wood, and the use of three bottles has entirely cured me.

Believing it to be an act of justice to yourself, as well as to those similarly afflicted, induces me to write this, and which you are at liberty to use as you may think proper. Respectfully, yours, JOHN R. CORNEY, Jr. Prepared only by Dr. D. Jayne, Philadelphia, and sold on agency by WILLIAMS, HAYWOOD, & Co., Druggists, Raleigh, N. C.

G. W. & C. GRIMME. Second door from Mr. R. Smith. Raleigh, Jan. 10, 1848.

1848. THE NEW YEAR. A FRIEND SAID TO US THE OTHER DAY, "It seems to me that all the Ladies go to the Ladies' Saloon to buy Shoes for their

State of North Carolina-Nash County. Children; and if they want Shoes for themselves they must be bought from the Ladies' Saloon or they are not satisfied. If they want a pair of Gaiter Boots, and particularly is they want something new and handsome, then as well as

ever, it must come from the Ladie's Saloon." "How is it Mr. Addington, that your establishment is so popular among the Ladies?" Why my friend, our Saloon is well situated on the

fashionable side of the great "Broadway" of the City of Norfolk (apart from the Market Carts and noise and confusion amidst the stores on the Square, which is very disagreeable to Ladies.) The Ladies can be better suited and better accommodated here than elsewhere—they can get at once every desirable article for themselves and Children, which with the attention they receive, must and will command the favors of the Ladies. "Well, Mr. Addington, the neat appearance of your

establishment, its location, and your large assortment of Fancy Boots and Shoes must contribute to the merits of your Saloon. I have a large family to buy Shoes for, and I will hereafter give you our patronage. I shall also take great pleasure in recommending the Ladies' Saloon to others.'

The above instance is one of almost daily occurrence we now meet with in the transaction of our businesswe are pleased with any manifestation which the public may choose to make of the satisfaction they derive in trading with us; and we add our assurance that no effort shall be spared on our part to please every Lady and Gentleman who will call at the Ladies' Saloon. Our assortment this year shall be more varied, if pos-

sible, than heretofore; so that every Lady, Gentleman, Child and Servant, shall find the kind of Boots and Shoes at the Ladies' Saloon which they may want. Now if and try to do better this year than they did last in a pefashionable Ladies' Saloon. Such persons as prefer it can have a Pass Book for

their own use, in which can be entered all the purchases for the family, and thus save the trouble of writing orders to Servants-and need settle their accounts only once in six months.

We hope to get a large number of families this year added to our already large list of patrons, who deal altogether at the Ladies' Saloon on Main street, near Wal-W. H. ADDINGTON. ter's City Hotel. Norfolk, January 3d, 1848.
